JON EVANS

Dear Paul,

Find enclosed the complete file, as we have it, on the Evans case. Father Jones and I have been meeting together often on a number of items and have delayed the letter till now because of efforts to obtain jon's social sec. #. Those efforts have not been positive to this point. We have now sent to you all we can about him. If the needed number comes to the surface in the future I will send it.

In my conversations with Father Jones he is willing to tell of Jon's potential as a child molester. In his letter he used the confidentiality between a Priest and Parishioner as a reason for not being willing to put it in writing. He has confronted Jon about this in his office and Jon has not been back to a Troop meeting since that time. Father Jones feels that we have taken the needed steps to prevent a child abuse case from occurring in the future. He is grateful.

We have since built the troop back in both numbers and quality of program. We now have a new Cub Pack sponsored at that Church. All is positive and people are pleased.

Thanks for your concern and interest in protecting youth.

Sincerely,

Raymond G. Anderson

Dear Paul,

We have had one of our sponsors refuse to sign their charter because of one of the adults name being included. As asked in one of the notices I am notifying you of this.

The sponsor is St. Paul's Episcopal Church, located at [REDACTED] Kennewick, Wa. 99336. Phone number is [REDACTED]. Father Julian Jones is the Institutional Head. They sponsor both a troop and a post and will soon have a cub pack. Their troop has, in the past, been a excellent one with a waiting list of boys wanting to join. The troop has over 377 months of tenure.

A meeting was held with the committee chairman, Father Jones and myself, to discuss the up-coming annual charter. During the meeting Father Jones stated that he had reason to fear that the individual in question could be a child molester and he wanted to keep him away from youth. He also expressed his feelings that the reason the troop was losing membership, (down from 56 in 89 to 6 active in 90) was this persons involvement. Mr John Stidel stated that parents were expressing concern to him about "dropping my son off at troop meetings with 'him' here". Mr Stidel also stated that he was giving boys rides home after troop meetings with "just the two of them in the car".

Paul, the person they are concerned about is Jon Evans. He lives at [REDACTED] in Kennewick, Wa. 99336. Phone number [REDACTED]. He was born 06-19-53 (37). Jon is single. He is about 5' 8" and around 180 lbs. He has red hair, combed straight back, and a full beard which he keeps about 8 to 10 inches long, combed to a point. He moved here in 1987 from Portland, Oregon. His address there was [REDACTED], Portland, Oregon.

[REDACTED]. He is a members of the Order of the Arrow and wears the Eagle Knot. Was registered as Assistant Scoutmaster in the above troop.

A visit with Jon has been held during which he was notified of the wishes of his church. He was also told that he was not to attend troop, District, or Council events nor could he be registered in any district or council position. If he did attend any of the above he would do so as a visitor and not as a member of the BSA.

I hope this letter answers this difficult situation and meets the needs of the BSA.

Sincerely,

Dear Mr. Evans:

This letter is to inform you that your name has been removed from the roster of members of Walamootkin Lodge #336 as of January 1, 1991. As stated in the Order of the Arrow Handbook, only those people who are registered members of the Boy Scouts of America may hold membership in an Order of the Arrow Lodge. Since your membership with the Boy Scouts of America has lapsed, so has your membership in Walamootkin Lodge.

I also want to take this opportunity to remind you that only registered members may participate in chapter and lodge activities. If you come to any Boy Scouts of America activity, including Order of the Arrow events, you will be asked to leave.

Sincerely,

Dear Raymond:

I appreciate your letter concerning the above named individual. This is most helpful to us and I believe we should start a file which will lead to refusal of registration in the future.

I am enclosing an Ineligible Volunteer Record Sheet which I would like to have completed, so we can identify Mr. Evans. Please give us as much information as you can that will enable us to identify him should he attempt registration in some other location. Thanks for your assistance with the enclosed form.

It would be most helpful if you could get some statements from some of the parents in their own words as to what has been happening, and also any information if there has been any molestation actually taken place. According to what you have told me, I do not believe there is going to be any legal action at this time.

Thanks so much for your help in this matter. Do not hesitate to call us if we may assist you in anyway.

Dear Ray:

Pursuant to your request, I submit the following concerns which I have had about Jon Evans working with Troop #169 which we sponsor.

You must realize that as a priest I can't break confidentiality with a parishioner. However, I can share with you in a general way the reasons why I feel that it is not appropriate for Mr. Evans to be working with the Boy Scouts of America.

He has taken boys home from Scout meetings on an individual basis. Although he is aware that this is strictly prohibited, he continued to do it several times.

He told many outrageous stories which had no basis in fact, attempting to win the adulation and approval of the boys. Among them was his repeated stories about he being a pilot, flying 747's to Saudi Arabia to transport troops during the Gulf War. In checking with the F.F.A., we find no evidence that Mr. Evans is a licensed pilot of any kind.

The troop was declining in numbers as the boys were turned off by his actions. Parents and troop leaders were getting discouraged and we were concerned that the troop might fail if he continued to participate.

Generally speaking, I did not find him to be a wholesome, moral example of what a scout leader should be, and therefore I declined to approve his name on the charter.

If I can be of any further assistance, please let me know.

Faithfully yours,

The Rev. Julian W. Jones, Rector

Dear Phil:

I received a letter from Raymond Anderson in early December. I responded on December 13, asking for more information and an Ineligible Volunteer Record Sheet.

I am sending you another Ineligible Volunteer Record Sheet, so you can complete this. We must have this information if we are to be able to identify Mr. Evans should he attempt registration in some other location.

We really need a little more information concerning what Mr. Evans has done that has caused so much concern. Can you not get statements from the Committee Chairman, from parents, or written report of what the actual concerns have consisted of?

Thanks for your help in making certain we can protect the youth of America.
